As a cyclist, bracing the harsh winter conditions of the road is a tough task.

But for those riding over 1015km along the Newell, Gwydir and Pacific Highways on the Hadley Cycles Ride for Sick Kids, winter weather extremes are the least of their concern.

This August, the 6th annual Hadley Cycles Ride for Sick Kids charity bike ride aims to raise over \$250,000 to provide support for families with seriously ill children who call Ronald McDonald House their 'home away from home'.

Over \$907,000 has been raised over the last 5 years, with 100% of funds being donated directly to Ronald McDonald House in the Hunter and Tamworth.
